- Both the AGA Integrated Module and AGA Freestanding Modules are available with either electric or gas hob option.
- AGA Cookers have vitreous enamelled top and front plates.
- There are a range of standard colours and a range of Signature colours available. Please view the AGA brochure to see the AGA colour palette.
- AGA Classic is only available in gloss cream vitreous enamel with 2 cream cast iron insulated covers.
- The retail price includes the cost of delivery and assembly on a prepared site. As every site is different, it does not include additional flue material, building, plumbing, oil installation work, gas or electrical connections. For Scotland and Islands off the Mainland, an additional delivery and assembly charge may apply under certain circumstances and will be quoted on application to the AGA Specialist.
- Prices do not apply to Northern Ireland and outside of the UK.
- Boiler models are for supplying domestic hot water only and are available for all Oil Fired Cookers, Gas Balanced Flue, Conventional Flue and 2 Oven Gas Power Flue AGA Cookers.
- An AGA Cooker has a 5 year warranty comprising of: one year parts and labour followed by a further four years parts only warranty.
- Price list valid from January 2011.
- This price list supersedes all previous lists and the right is reserved to amend all prices without notice.
